WHAT ARE YOU CHASING?

Proverbs 21:21 (NIV) states, “Whoever pursues righteousness and love finds life, prosperity and honor.” So many times, we allow the things of the world to be in the Driver’s seat, but the Scriptures are very consistent seeking to push us to pour our devotion into God. We cannot focus on things Created by God. During this past Friday’s early morning prayer on, we alluded to the fact that all of us put our

priorities somewhere and we must make sure that Jesus Christ is first. God cannot be an afterthought with all the challenges that we encounter. Keeping Christ out front allows you to win at life, because you are now experiencing eternal life. Jesus came for us to soar. Not just to exist but to fly high. Righteousness is simply doing that which is right in the eyesight of God. God is love and we want to enjoy Him showering that love on your lives. This Scripture lets us know that this kind of devotion will lead to an abundant life, spiritual riches and Godly recognition and demonstrated appreciation. God will always honor the faithfulness of the Believer.

Our Social Justice Ministry, under the leadership of Dr. Rachel Boyd, is available for Voter Registration leading up to the November Election. We also welcome our County's Register of Wills who also is a faithful member of our church, Cereta Lee, and her team who will be available after the Sunday 10:45 a.m. service to assist and answer questions surrounding wills, estates, and trusts.

PARK POWER POINTS

We can never tire of lifting the name of Jesus and we don't because here at *The City on Hill – First Baptist Church of Highland Park* we continue to be “*Bible Believing, Christ Centered, and Spirit Led*” and Jesus Christ is the main attraction. We fully welcome you to the *Highland Park Experience* as we enter these grounds week after week with high expectation of the Lord doing miraculous things in our midst.

Prayer warriors are urged to stand in the gap praying for souls to come into the Kingdom of God. This weekend we welcome the Congressional Black Caucus Meeting to town and it is always a blessing how the Saturday morning prayer breakfast is always a highlight with Bishop Paul Morton delivering the message this year.

A big welcome is extended to all of our visiting friends as we pray that God gives you the Word that you need to hear which will further remind us that “***There's Power at The Park!***”

We have 11 Million dollars to go in order to pay off our indebtedness and we fully believe that it can done through the faithful giving of our church family . We can do it without tricks and gimmicks but simply by using God's formula of

Tithes and Offerings. Let's give that first tenth to God and remain generous in our offerings.
